Prepare Windows 7: (For Windows Vista and Windows 7) Disable or Uninstall Office Starter: Go to Start and search for "add or remove programs". Click on Office Starter. In the list of apps on the left-hand side of the screen, there will be an entry for Word, Excel, PowerPoint, and Access. You need to select the "Settings" option in the drop-down menu in the upper-left corner. Click "Change" in the Settings window. In the "General" tab, uncheck the box next to "Office Starter". Once you've installed the app you'll need to make a few tweaks to make it work for you. For this tutorial, I'll be using Adobe Reader DC - the default reader for OS X 10.10. Windows 10: Click the Start button to open the Windows taskbar. Click Control Panel and select Programs and Features. Select Adobe Digital Editions, and click the "Uninstall" button. As part of the process to remove Adobe Digital Editions, you will need to delete the old Digital Editions software. Here's how to do it: You can download and install one of the EPUB Reader tools from below. After you have installed it you can open up EPUB files. 1Calibre (Windows and Mac OS) Wondershare Dr.fone For Android Patch.epub Wondershare Dr.fone For Android Patch.epub Nov 20, 2020 An all-in-one solution for both Android and iOS users contains Dr.Fone - iOS Toolkit and Dr.Fone - Android Toolkit.
