Call Of Duty Modern Warfare 3-Black Box Corepack

It is the twelfth installment in the Call of Duty series, and was developed by Infinity Ward, and published by Activision. The game is a prequel to the 2007 film of the same name, with a plot taking place in the year 2007. The player takes control of the character U.S. Marine Corps Corporal and the "Strike Team". The multiplayer mode was released on November 8, 2011, while the single-player and the cooperative play modes were released on November 16, 2011, for Microsoft Windows, PlayStation 3, and Xbox 360. The game was released on November 8, 2011, for Microsoft Windows, PlayStation 3 and Xbox 360. It features a non-linear campaign in which the player must undertake multiple missions and side quests over the course of the game to progress, with optional objectives at certain points in the story. The game was met with generally positive reviews, and has sold over four million units worldwide, making it the fastest-selling game in the Call of Duty series. The game is available in over 15 languages, and was released in over 50 countries, and won several awards., the game is commercially available on all platforms, and has sold over five million copies. It is the best-selling PlayStation 3 game of all time, and the best-selling video game of the year 2011 in the United States, Japan and United Kingdom. Gameplay The game features a combat system similar to its predecessors, with a significant amount of new features, improved multiplayer functionality, and a more advanced AI. It features four classes (Sniper, Assault, Engineer and Spec Ops), along with an all-new mode called Breach, which features a more tactical gameplay. Some aspects of the game, such as spawning and weapon variants, are similar to the previous Call of Duty games. The game features a more open approach to non-linear storytelling, as the player can freely explore the game world and complete missions in any order they wish. Single-player The single-player campaign mode has players take the role of the American Marine Corps Corporal, a character who works for a private security company in, a fictional country. As Corporal, the player will take on several missions across the map and must complete objectives on the map to earn Points, which can then be used to unlock additional weapons, perks, abilities, and character customization. Along with the core campaign missions, the player is also tasked with completing more story-driven missions, as well as side-quests that involve optional objectives
