the Power of this Prayer, as he said it at his last Confession. \_\_\_\_\_ I found this program to be very helpful in helping me to use this Prayer. I especially found it helpful for the Sacrament of Confession. This is one of my favorite prayers, and it makes it easy for me to do. \_\_\_\_\_ I had problems with my Vision, and I was sent this program by the Lord. I have never used the Vision, and this is the first time I have used it. I appreciate being able to learn how to pray for the Lord to help me use my Vision and all of my prayers. I use "We Christians" for my parish's newsletter and encourage all the parishioners to read it. \_\_\_\_\_ I discovered "We Christians" while looking for some other Catholic magazines and also for some Catholic products. \_\_\_\_\_ I love the "We

The differential roles of the cytosolic factor bZIP60 and the nuclear factor bZIP22 in regulating abscisic acid-mediated responses in *Arabidopsis* seedlings. ABRE-binding factors are known to act in the nucleus to regulate abscisic acid (ABA)-mediated gene expression. Here, we found that cytoplasmic ABA-responsive element binding proteins (AREB) are also involved in ABA-mediated regulation of gene expression in plants. In a previous study, we identified two putative AREB homologs in *Arabidopsis thaliana*. In this study, we found that expression of the two proteins, bZIP60 and bZIP22, is greatly induced by ABA treatment. However, each protein showed a
